Acting as Member (Hereinafter referred to as “the member”)

WHEREAS the parties intend entering into a Photography Club relationship, as per the provisions set out here under, the undersigned do hereby agree as follows:

The Host and Member agree to enter into a relationship for a period of 12 months from April 2023 till April 2024 for the Gauteng Club @ R600 per month payable on the 1st of every month (or R500 if paid by the 26th of the prior month)

The program will offer the following:

* Group photographic shooting practical sessions which are generally held over a weekend and will cover various subjects. All the models, animals, wardrobes, make up, hair, permissions, releases, arrangements, transport of the models and animals, set up, staging, props and clean up will be done for the members. You will attend a total of 12 practical sessions during the year, timing being flexible due to commitments by all parties. Sessions will be arranged in the Telegram group to suit

the schedules of all club members. In the event that a club member can not make the arranged date they will be allowed to shoot at one of the hosts similarly priced private styled sessions or use the missed month as credit toward the price one of the weekend extravaganza workshops to make up but the club fee will be due regardless of attendance or not. Should a club member not arrive for an arranged session without 24 hours notice they will lose that session.

You will be added to the club Telegram group which is exclusively for the active club members. Here you may ask questions, receive tips and be connected to advice from the hosts and members all the time. Dates for sessions will also be voted on in this group as to suit everyone.

You will be required to commit yourself for the full period of 12 months to qualify for the cheaper club price and understand that cancellation can only be approved once your spot has been filled. 1 month notice of intent of cancellation is required as sessions get arranged ahead of time as a financial commitment was made by the organizers for the sessions. You will be required to keep paying your membership fee until your slot has been filled by a new member. Should you leave without replacing your monthly spot you will be charged the difference for the sessions you attended at individual price (difference = R700 per session attended)

You may make payment on a once off annual fee and receive a 20% discount. The annual fee is not refundable in case of cancellation.
